Office of the Secretary to His Excellency the Governor of Bengal.

NOTIFICATION.

No. 115-H.—7th July 1946.—The following is republished for general information:—

OFFICE OF THE PRIVATE SECRETARY TO HIS EXCELLENCY THE VICEROY.

New Delhi, the 26th June 1946.

No. 166-H.—His Excellency the Viceroy has been pleased to award a Bar to the Indian Police Medal to the following officer:—

BENGAL.

Name of officer and rank.—Phillip Stanislaus Bampton, District Officer, Calcutta Fire Brigade. —*Statement of services for which the decoration has been awarded.*—In the evening of the 22nd November 1945, District Officer Bampton of the Calcutta Fire Brigade answered a fire call in respect of a burning Military lorry near the petrol pump at Tollygunge. To reach the spot, he had to remove several road blocks. On arrival, he and his party, although continuously stoned in spite of police protection, extinguished three burning lorries. He then proceeded to extinguish more burning lorries between Tollygunge and the Hazra Road crossing, undergoing stoning the whole time. He then drove along Southern Avenue and Lake Road extinguishing fires *en route*. Finally he returned to Hazra Road extinguishing fires on vehicles which had been relighted. During a period of four hours, District Officer Bampton extinguished thirty fires under an almost constant hail of stones. His personal courage and resolution were an inspiration to his force.

This award is made for gallantry under regulation (d)(i) of the Regulations governing the grant of the Indian Police Medal and consequently carries with it the special allowance admissible to officer of and below the rank of Inspector of Police.

No. 167-H.—His Excellency the Viceroy has been pleased to award the Indian Police Medal to the following officers:—

BENGAL.

Name of officer and rank.—Paul Barnes, I.P., Deputy Commissioner of Police, Calcutta.—*Statement of services for which decoration has been awarded.*—On the 22nd November Mr. Barnes went with a police party to the Kalighat Fire Station which was being attacked by a mob, with only a small police guard to protect it. To get there he had to go along Russa Road which was then occupied by a large and dangerous mob. The road was barricaded at several places and at each barricade Mr. Barnes had to dismount his party, disperse the crowd, and remove the barricade. Each operation was conducted under a hail of brickbats which caused injuries to several members of his party. Had Mr. Barnes displayed less courage and determination he would have been unable to reach the Fire Station which he found on his arrival to be nearly overwhelmed by the mob. On the 23rd November there was serious rioting at the junction of Russa Road and Hazra Road where about twelve military vehicles were either burnt or burning. The mob was forced back from this crossing, but for about an hour the situation was fluid, the police by determined rushes were able to push back the crowd, but had to withdraw later under a hail of bricks. The position became grave and the police were in danger of being overwhelmed. The Deputy Commissioner, Headquarters, who was in charge, ordered two rounds to be fired and one of the ringleaders was hit in the leg and hobbled down a narrow side lane. Mr. Barnes asked permission to give chase. The houses on both sides of the lane were infested with rioters and his retreat might well have been cut off. His pursuit, which culminated in the arrest of the man, was an act of high gallantry. On the 12th February Mr. Barnes was ordered to reinforce a police party at the same road junction.

On their way, he and his men were heavily attacked in their police lorry by large mobs. Mr. Barnes, being anxious to avoid firing, seized a musket from a sepoy, sprang off the lorry, and made a rush at the advancing crowd. In spite of being injured by brickbats he continued his rush with such determination that the crowd broke and the police party was able to proceed. Mr. Barnes displayed marked courage and promptitude on this occasion. On the evening of the same day Mr. Barnes was sent with a police party to investigate reports that shops in the neighbourhood of Chowringhee were being looted. At the junction of Ripon Street and Lower Circular Road he came across a large mob setting fire to some rickshaws and erecting a barricade of tar drums. While he was dispersing this crowd cries for help were heard from a building which had been set on fire. In spite of very heavy brick-batting Mr. Barnes led his party in a determined rush and was able to extricate the occupants of the burning house. His action involved very considerable danger as it was carried out after nightfall.

Name of Officer and rank.—Arthur Frank Kinchin, Inspector (officiating), Calcutta Police. —*Statement of services for which the decoration has been awarded.*—On the evening of the 22nd November 1945 Inspector Kinchin with a small police party was on his way from Police Headquarters to the Medical College Hospital *via* Chittaranjan Avenue. At Colootolla Street the Inspector saw two military vehicles on fire; he could not see whether the drivers were with them or not. On the arrival of the Police party a large crowd began heavy stoning. The Inspector tried to disperse the mob by a lathi charge in order to save any possible occupants of the lorries; this was ineffective and the stoning became heavier, for the mob had increased in number when it saw how small the police party was. After due warning the Inspector fired two shots from his revolver, but the crowd on his other flank then advanced on the party with the intention of overwhelming it. The Inspector then ordered three of his Sergeants to fire and immediately made a further lathi charge. This had the effect of dispersing the crowd and allowing the Inspector to investigate the burning lorries in which he found no occupants. On the 13th February 1946 in the evening, Inspector Kinchin was sent with a police party to Dhurrumtolla Street, where rioting had been reported. On reaching the Methodist Church in Dhurrumtolla Street the Inspector found a crowd of over 1,000 gathered round a fire on which they were piling furniture from the church; the crowd had also set the church on fire. On the Inspector's arrival this crowd immediately proceeded to stone the police party. The Inspector made a lathi charge which was ineffective and stones began to be thrown from side lanes. The Inspector fired four rounds from a musket which caused the crowd to withdraw a short distance. The Inspector held his position until police reinforcements and the Fire Brigade arrived. In both these incidents Inspector Kinchin showed great resolution and courage.

Name of officer and rank.—Frederick John Juden, Sergeant, Calcutta Police.—*Statement of services for which the decoration has been awarded.* —On the 23rd November 1945 this Sergeant was sent with a work party and a breakdown lorry to clear the Bhowanipore area of all roadblocks. At first he was unable to get near the road obstructions owing to stoning. On the arrival of reinforcements he succeeded that day in clearing the whole area as far as Tollygunge Bridge and Lansdowne Road. At intervals throughout the day the police party engaged on this work was subjected to stoning. This did not deter Sergeant Juden, and stimulated by their leader's personal example and courage, the work party was able to clear the roads effectively, although the whole party was completely unarmed. On the 11th February 1946, at night, this Sergeant was detailed to take a Police "wrecker" to Central Avenue to clear away burning vehicles; from 8-30 to 11-30 the Sergeant and his working party were stoned continually. Now and again the Sergeant himself, although unarmed, had to drive his "wrecker" towards oncoming mobs in order to give his supporting party some relief. In these operations the windscreen of the "wrecker", which was entirely unprotected, was smashed and Sergeant Juden who was driving was hit. He continued this work until 3 a.m. Sergeant Juden was engaged the whole of the following day (February 12th) in clearing the road blocks in Central Avenue from Bowbazar Street to Shambazar, and he continued this important work in spite of being constantly attacked by the mob. On February 13th 1946 Sergeant Juden successfully cleared the road blocks in Ashutosh Mukherjee Road, in spite of mob attacks on him and his party. Sergeant Juden showed great courage and resolution in carrying through his job undeterred by attacks.

Name of officer and rank.—Azizur Rahaman Khan, Sub-Inspector, Calcutta Police.—*Statement of services for which the decoration has been awarded.*—During the November disturbances, Sub-Inspector Azizur Rahaman Khan was in charge of the Watgunge police-station. This area, which adjoins the Port, was the scene of considerable rioting; on a number of occasions this officer, without waiting for armed assistance from Headquarters, took out a party of unarmed constables and dealt effectively with the situation. On one particular occasion, seeing a mob threatening to burn a Police lorry, he dispersed it and effected the arrest of the man actually setting fire to the lorry. During the February disturbances he again displayed initiative and courage. On one occasion his prompt intervention saved the Manasatola Post Office from being burnt, and on another he charged a crowd which was attacking military lorries and effected the arrest of four persons who were subsequently convicted. His determination in taking prompt action on his own initiative without waiting for armed assistance was most praiseworthy, and his courage on many occasions throughout was an example to all.

Name of officer and rank.—Harkang Limbu, Havildar No. 18756, (officiating), Calcutta Armed Police.—*Statement of services for which the decoration has been awarded.*—On the 13th February 1946, Havildar Harkang Limbu was in charge of an Armed picket in Ashutosh Mukherjee Road near Jagu Babu's Bazar, an area noted for the violence and persistence of the mobs which infested it. In the middle of the afternoon a large mob seeing that the Havildar's party had been left on its own by the withdrawal of another party, attacked it, as a result some sepoys were injured with stones. Havildar Harkang Limbu with great patience in very trying and dangerous circumstances repeatedly warned the mob. He stood his ground, and in the end was obliged to open fire. He himself directed the firing of two rounds and by his coolness and resolution in the face of great danger he not only saved the lives of his police party but also avoided unnecessary injury to the crowd. Havildar Harkang Limbu showed great courage and determination while in charge of a party.

These awards are made for gallantry under regulation (d)(i) of the Regulations governing the grant of the Indian Police Medal and in the case of officers of and below the rank of Inspector of Police, carry the special allowance admissible to them.

The Bengal Non-agricultural Tenancy Bill, 1946.

(Chapter III—Incidents of Tenancies held by Non-agricultural Tenants—Clause 7.)

(ii) such tenancy shall, in the case where the non-agricultural tenant dies intestate in respect of his interest in that tenancy, be transmitted by inheritance in the same manner as the other immoveable property of the said tenant; and

(3) A non-agricultural tenant holding a tenancy to which the provisions of sub-section (1) apply shall not be ejected by his landlord from the land comprised in the tenancy during the term specified in the lease, nor after the tenant has on any occasion exercised his option of renewal, during the term of such renewal except on the ground—

(*ii*) on the ground that he has used the land in a manner which renders it unfit for the purposes of the tenancy or that he has broken a condition consistent with this Act and on breach of which he is, under the terms of a contract between himself and his landlord, liable to be ejected;

(*iii*) on the ground that he has refused to agree to pay a fair and equitable rent determined under section 43;

(*iv*) where he has been admitted to occupation of the non-agricultural land comprised in the tenancy under a registered lease, on the ground that the term of the lease has expired :

Provided that in the case of tenancies of the classes specified in clauses (*a*) and (*c*) it shall be lawful for the landlord to eject the non-agricultural tenant on giving him six months notice in writing expiring with the end of a year of the tenancy and on payment of such reasonable compensation as may be agreed upon between the landlord and the non-agricultural tenant or, in the case where they do not agree, as may be determined by the Court on the application of the landlord or such tenant.

(*2*) If there is any dispute as to whether any condition for the renewal of a lease under sub-section (*1*) is fair and reasonable, the provisions of sub-section (*2*) of section 7 shall apply *mutatis mutandis.*

(*3*) A non-agricultural tenant holding a tenancy to which the provisions of sub-section (*1*) apply shall be subject to the same provisions with respect to the ejectment from, succession to and transfer of the interest in, such tenancy as a non-agricultural tenant holding similar tenancies for homestead or residential purposes referred to in section 7.

Provided that the non-agricultural tenant may pay or tender the rent payable for the year at any time during the year before it falls due.

(*2*) The payment or tender of rent may be made—

(*5*) Any instalment or part of an instalment of rent not duly paid at or before the time when it falls due shall be deemed to be an arrear.

Appropriation of payments.

23. (*1*) When a non-agricultural tenant makes a payment on account of rent, he may declare the year and instalment to which he wishes the payment to be credited, and the payment shall be credited accordingly.

Non-agricultural tenant entitled to full discharge or statement of account at close of year.

25. (*1*) Where a landlord admits that all rent payable by a non-agricultural tenant to the end of the year of the tenancy has been paid, the non-agricultural tenant shall be entitled to receive from the landlord, free of charge, within three months after the end of the year, a receipt in full discharge of all rent falling due to the end of the year, signed by the landlord.

(*3*) If a landlord or his agent, without reasonable cause, fails to deliver to the non-agricultural tenant a receipt or statement or to prepare and retain a counterfoil or copy of a receipt or statement, as required by either of the said sections, such landlord or agent, as the case may be, shall be liable to a fine not exceeding fifty rupees, to be imposed, after summary inquiry, by the Collector.

(*4*) The Collector may hold a summary inquiry under sub-section (*3*), either on information received from a Revenue-officer within one year, or upon complaint of the party aggrieved made within three months, from the date of failure, or upon the report of a Civil Court.

(*5*) Where, in any case instituted under sub-section (*3*), the Collector discharges any landlord or agent, and is satisfied that the complaint of the non-agricultural tenant on which the proceedings were instituted is false or vexatious, the Collector may, in his discretion, by his order of discharge, direct the non-agricultural tenant to pay to such landlord or agent such compensation, not exceeding fifty rupees, as the Collector thinks fit.

(*6*) An appeal shall lie to the Commissioner of the Division against any order of the Collector imposing a fine under sub-section (*3*) or awarding compensation under sub-section (*5*); and the order passed by the Commissioner on such appeal shall, subject to any order which may be passed on revision by the Board of Revenue, be final.

28. Where rent is due to the proprietor, manager or mortgagee of an estate, the receipt of the person registered under the Land Registration Act, 1876, as proprietor, manager or mortgagee of that estate, or of his agent authorised in that behalf, shall be a sufficient discharge for the rent; and the person liable for the rent shall not be entitled to plead in defence to a claim by the person so registered that the rent is due to any third person: **Ben. (*2*) A receipt given under this section shall operate as an acquittance for the amount of the rent payable by the non-agricultural tenant and deposited as aforesaid in the same manner and to the same extent as if that amount of rent had been received—

Provided that, when a landlord accepts rent, which has been deposited, or remitted by postal money-order, the fact of his acceptance shall not be used in any way as evidence that he has admitted as correct any of the particulars set forth in the application for permission to deposit or in the postal money-order form.

Arrears of rent.

Liability to sale for arrears in case of tenancies specified in sections 5, 6, 7, 9, 10, 11 and 13.

(*2*) In a suit for ejectment for an arrear of rent a decree passed in favour of the plaintiff shall specify the amount of the arrear and of the interest (if any) due thereon, and the decree shall not be executed if that amount and the costs of the suit are paid into Court within thirty days from the date of the decree, or when the Court is closed on the thirtieth day on the day upon which the Court re-opens.

38. (*1*) A non-agricultural tenant shall not, when his landlord's interest is transferred, be liable to the transferee for rent which became due after the transfer and was paid to the landlord whose interest was so transferred, unless the transferee has before the payment given notice of the transfer to the non-agricultural tenant.

(*2*) Where there is more than one non-agricultural tenant paying rent to the landlord whose interest is transferred, a general notice from the transferee to the non-agricultural tenants published in the prescribed manner shall be a sufficient notice for the purposes of this section.

The Bengal Non-agricultural Tenancy Bill, 1946.

(*Chapter V—Provisions as to rent of non-agricultural tenancies—Clauses 44—47.*)

(*2*) Where such a customary rate does not exist or cannot be ascertained, the rent may, subject as aforesaid be enhanced up to such limit as the Court thinks fair and equitable in the circumstances of the case.

(*b*) as far as can expediently be ascertained the rent paid to other landlords for non-agricultural lands in the vicinity with similar advantages or of a similar description;

(*a*) the Court shall not grant an enhancement unless the improvement has been registered in accordance with this Act; and

(*b*) in determining the amount of enhancement the Court shall have regard to,—

(*i*) the increase in the value of the tenancy caused or likely to be caused by the improvement,

(*ii*) the cost of the improvement,

(*iv*) the existing rent of the tenancy and the ability of the land comprised in the tenancy to bear a higher rent.

(*2*) A decree under this section shall, on the application of the non-agricultural tenant or his successor in interest, be subject to reconsideration in the event of the improvement not producing or ceasing to produce the estimated effect.

Power to order progressive enhancement.

45. If it thinks that an immediate increase of rent will cause hardships, the Court may direct that the enhancement shall take effect gradually at such intervals and by such increments extending over a period not exceeding five years as the Court may fix in this behalf.

Limitation of right to enhancement.

46. When the rent of a tenancy specified in any of the sections 5, 6, 9 and 10 has been enhanced by the Court or in pursuance of the conditions of a contract, it shall not be further enhanced by the Court during the fifteen years next following the date on which it has been last so enhanced and for the purposes of this section if an order of gradual enhancement of such rent has been made by a Court in accordance with the provisions of section 45, the full rent fixed by such order shall be deemed to have come into effect from the date of such order:

Provided that the landlord of a tenancy may institute a suit for the enhancement of the rent of such tenancy during the said period of fifteen years on the ground of any improvement effected to the land comprised in such tenancy by, or wholly or partly at the expense of, such landlord during such period.

Reduction of rent.

(*3*) Every order passed under sub-section (*1*) directing the conversion of any agricultural land into a non-agricultural tenancy shall state the date from which such conversion shall have effect and shall specify the rent which shall be payable in respect of the non-agricultural tenancy into which such land is converted and shall also state the amount of *salami*, if any, to be paid to the landlord by the tenant of such land, and the rent so specified shall not be enhanced during a period of not less than thirty years from the date of such order.

(*5*) Notwithstanding anything contained in any law for the time being in force or in any contract, where any agricultural land is converted into a non-agricultural tenancy by an order under this section such land shall with effect from the date on which such conversion takes effect cease to be an agricultural land, but the tenant of such land shall for the purposes of this Act be deemed to have held it as a non-agricultural tenancy with effect from the date on which such tenant or his predecessor in interest was first inducted into the land.

65. (*1*) The Provincial Government may, subject to the condition of previous publication, make rules for carrying out the purposes of this Act.

(*b*) the forms of the notices referred to in sections 14 and 15, the manner of service of such notices and the amount of the process fees referred to in the said sections ;

(*c*) the manner in which the landlord's fees referred to in section 15 shall be transmitted to the landlord, the cost of transmission of such fees and the manner of payment of the landlord's fees and cost of transmission under sub-section (*12*) of that section ;

(*d*) the manner of payment or tender of rent by postal money-order under section 22 ;

(*e*) the forms to be used generally or for any particular local area or class of cases for the receipt and counterfoil referred to in section 24 and for the statement of account referred to in sub-section (*2*) of section 25 and the particulars to be specified in such receipt, counterfoil and statement ;

(*f*) the cost of transmission of the money deposited in the cases referred to in clauses (*a*) and (*b*) of sub-section (*1*) of section 29 and the amount of the fee referred to in clause (*d*) of sub-section (*2*) of that section ;

(*g*) the manner of publication of the general notice referred to in sub-section (*2*) of section 38 ;

(*h*) the determination of a fair and equitable rent referred to in sub-section (*3*) of section 43 ;

(*i*) the form of, the particulars to be contained in and the manner of verification of applications referred to in sub-section (*2*) of section 51 ; and

(*j*) the amount of process fee referred to in the proviso to sub-section (*1*) of section 59, the procedure to be followed by the Collector under sub-section (*2*) of that section in fixing the *salami* referred to in sub-section (*1*) of that section, and the amount of fee referred to in sub-section (*4*) of that section.

STATEMENT OF OBJECTS AND REASONS.

Government have considered the Report of the Non-agricultural Land Enquiry Committee and are of the opinion that notwithstanding the provisions of the Transfer of Property Act, 1882, the non-agricultural tenants who hold lands under a lease for residential, business, manufacturing or other purposes are in need of better security. It is obvious, however, that the degree of protection cannot be the same for all classes of tenants and it has been considered necessary to make a distinction between tenancies which are—

(*1*) of unknown origin or which originated from before the Transfer of Property Act, 1882 ;

(*2*) held under a written lease for a specified period of not less than twelve years ;

(*3*) held under a written lease but without specification of any period or without a written lease but originating from after the Transfer of Property Act, 1882, in either case the period of possession not being less than twelve years ;

(*4*) held under a written lease or otherwise for a period of more than one year but less than twelve years.

It is proposed to confer permanent, heritable and transferable rights on all tenants coming under (*1*). Lessees under (*2*) should have a right of renewal on fair and equitable terms, but in case the lessor has allowed a *pucca* structure to be constructed on the land, the tenant should have the status of a permanent lessee irrespective of the period of occupation. Lessees under (*3*) should have a permanent heritable right. All holdings coming under (*2*) and (*3*) should be transferable on payment of a landlord's transfer fee. A perversion of user or a breach of a condition of the contract should be the only grounds on which a tenant under (*1*), (*2*) or (*3*) can be evicted. In case of tenants under (*4*) provision has been made for payment of compensation under certain circumstances in case of eviction. It is also proposed to provide for conversion of agricultural holdings within municipal areas into non-agricultural holdings.

The Bill has been drafted to provide for these protective rights and also to confer other incidental but necessary rights on the non-agricultural tenants of the different classes.

1882, the non-agricultural tenants who hold lands under a lease for [illegible] manufacturing or other purposes are in need of better security. It is obvious, however, that the degree of protection cannot be the same for all classes of tenants and it has been considered necessary to make a distinction between tenancies which are—

(*1*) of unknown origin or which originated from before the Transfer of Property Act, 1882;

(*2*) held under a written lease for a specified period of not less than twelve years;

(*3*) held under a written lease but without specification of any period or without a written lease but originating from after the Transfer of Property Act, 1882, in either case the period of possession not being less than twelve years;

(*4*) held under a written lease or otherwise for a period of more than one year but less than twelve years.

It is proposed to confer permanent, heritable and transferable rights on all tenants coming under (*1*). Lessees under (*2*) should have a right of renewal on fair and equitable terms, but in case the lessor has allowed a *pucca* structure to be constructed on the land, the tenant should have the status of a permanent lessee irrespective of the period of occupation. Lessees under (*3*) should have a permanent heritable right. All holdings coming under (*2*) and (*3*) should be transferable on payment of a landlord's transfer fee. A perversion of user or a breach of a condition of the contract should be the only grounds on which a tenant under (*1*), (*2*) or (*3*) can be evicted. In case of tenants under (*4*) provision has been made for payment of compensation under certain circumstances in case of eviction. It is also proposed to provide for conversion of agricultural holdings within municipal areas into non-agricultural holdings.

The Bill has been drafted to provide for these protective rights and also to confer other incidental but necessary rights on the non-agricultural tenants of the different classes.

ACT NO. XXI OF 1946.

An Act to provide for the special protection in respect of civil and revenue litigation of serving merchant seamen.

WHEREAS it is expedient to provide for special protection in respect of civil and revenue litigation of serving merchant seamen;

It is hereby enacted as follows:—

1. Short title, extent and commencement.—(*1*) This Act may be called the Merchant Seamen (Litigation) Act, 1946.

(*2*) It extends to the whole of British India.

2. Interpretation.—(*1*) In this Act, unless there is anything repugnant in the subject or context,—

(*b*) "Court" means a Civil or Revenue Court;

(*c*) "master" means a person, other than a pilot or harbour master, having command or charge of a sea-going ship;

(*d*) "prescribed" means prescribed by rules made under this Act;

(*e*) "proceeding" includes any suit, appeal or application;

(*f*) "seaman" means every person, other than a person subject to naval law, who is employed or engaged under an agreement on board any sea-going ship in any capacity, other than that of pilot or apprentice but including that of master;

(*g*) "shipping master" means, in relation to any seaman, a shipping master appointed—

(*i*) for the port at which the seaman entered into, or is believed to have entered into, an agreement, or

(*ii*) where the seaman did not enter into his agreement in British India, for the port to which the seaman has returned, or is expected to return, on the completion of his latest voyage,

and includes a deputy shipping master or any person carrying out the functions of a shipping master.

(*2*) For the purposes of this Act, a seaman shall be deemed to be a serving seaman during any period commencing on the date on which he enters into an agreement and ending thirty days after the date on which he is finally discharged from such agreement.

3. Particulars to be furnished in plaints, etc.—If any person presenting any plaint, application or appeal to any Court has reason to believe that any adverse party is a serving seaman, he shall make a statement accordingly in the plaint, application or appeal.

4. Power of Collector to intervene in case of unpresented seaman.—If any Collector has reason to believe that any seaman who ordinarily resides or has property in his district and who is a party to any proceeding pending before any Court, is unable to appear therein or is a serving seaman, the Collector may certify the facts in the prescribed manner to the Court.

5. Notice to be given in case of unrepresented seaman.—(*1*) If a Collector has certified under section 4, or if a Court has reason to believe, that a seaman who is a party to any proceeding before the Court, is unable to appear therein or is a serving seaman, the Court shall suspend the proceeding and shall give notice thereof in the prescribed manner to the shipping master:

Provided that the Court may refrain from suspending the proceeding and giving the notice—

(*a*) if the proceeding is one instituted or made by the seaman, alone or conjointly with others, with the object of enforcing a right of pre-emption, or

(*b*) if the interests of the seaman in the proceeding are, in the opinion of the Court, either identical with those of any other party thereto and adequately represented by such other party, or merely of a formal nature.

(*2*) If it appears to the Court before which any proceeding is pending that a seaman though not a party to the proceeding is materially concerned in the outcome of the proceeding and that his interests are likely to be prejudiced by his inability

to attend, the Court may suspend the proceeding and shall give notice thereof in the prescribed manner to the shipping master.

6. Postponement of proceedings.—(*1*) If on receipt of a notice under section 5, the shipping master certifies to the Court in the prescribed manner that the seaman is a serving seaman, the Court shall thereupon postpone the proceeding in respect of the seaman for the prescribed period, or if no period has been prescribed, for such period as it thinks fit:

Provided that if by reason of the continued absence of the seaman, the question of any further postponement of the proceeding in respect of the seaman arises, the Court shall in deciding the question have regard to the purposes of this Act.

(*2*) If the shipping master either certifies that the seaman is not for the time being a serving seaman or fails within two months from the date of the receipt of the notice under section 5 to certify that the seaman is a serving seaman, the Court may, if it thinks fit, continue the proceeding.

7. Power to set aside decrees and orders passed against serving seaman.—(*1*) Where in any proceeding before a Court a decree or order has been passed against any seaman while he was a serving seaman, the seaman, or if he dies while he is a serving seaman, his legal representative, may apply to the said Court to have the decree or order set aside, and if the Court, after giving an opportunity to the opposite party of being heard, is satisfied that the interests of justice require that the decree or order should be set aside as against the seaman, the Court shall, subject to such conditions, if any, as it thinks fit to impose, make an order accordingly, and may, if it appears that any opposite party in the proceeding has failed to comply with the provisions of section 3, award, subject to such conditions as may be prescribed, damages against such opposite party.

(*2*) The period of limitation for an application under sub-section (*1*) shall be sixty days from the date on which the seaman first ceases to be a serving seaman after the passing of the decree or order, or where the summons or notice was not duly served on the seaman in the proceeding in which the decree or order was passed, from the date on which the applicant had knowledge of the decree or order, whichever is later; and the provisions of section 5 of the Indian Limitation Act, 1908 (IX of 1908), shall apply to such applications.

(*3*) Where the decree or order in respect of which an application under sub-section (*1*), is made, is of such a nature that it cannot be set aside as against the seaman only, it may be set aside as against all or any of the parties against whom it was made.

(*4*) Where a Court sets aside a decree or order under this section, it shall appoint a day for proceeding with the suit, appeal or application, as the came may be, in respect of which the decree or order was passed.

8. Modification of law of limitation where seaman is a party.—In computing the period of limitation provided in this Act or in the Indian Limitation Act, 1908 (IX of 1908), or in any other law for the time being in force, for any suit, appeal or application to a Court to which a seaman is a party, the period or periods during which the seaman has been a serving seaman, and if the seaman has died while he was a serving seaman, the period from the date of his death to the date on which his next of kin was first informed, by the shipping master or otherwise, of his death, shall be excluded:

Provided that this section shall not apply in the case of any suit, appeal or application instituted or made with the object of enforcing a right of pre-emption except in such areas and in such circumstances as the Central Government may, by notification in the official Gazette, specify in this behalf.

9. Reference in matters of doubt to shipping masters.—If any Court is in doubt whether, for the purposes of section 7 or section 8, a seaman is or was at any particular time or during any particular period a serving seaman, it may refer the question to the shipping master, and the certificate of the shipping master shall be conclusive evidence on the question.

10. Power to make rules.—The Central Government, after consulting the High Courts concerned, may by notification in the official Gazette make rules to provide for all or any of the following matters, namely:—

(*a*) the manner and form in which any notice or certificate under this Act shall be given;

(*b*) the period for which proceedings or any class of proceedings shall be postponed under sub-section (*1*) of section 6;

(*c*) the conditions subject to which damages may be awarded under sub-section (*1*) of section 7, and the amount of such damages;

(*d*) any other matter which is to be or may be prescribed, and generally, any matters incidental to the purposes of this Act.

STATEMENT OF OBJECTS AND REASONS.

Provincial Nursing Councils have been established in all Provinces except the North-West Frontier Province and maintain registers of qualified nurses, health visitors and midwives. Increasing difficulties have been experienced by the nursing profession and by employing authorities owing to the diversity in the standards of preliminary education of candidates entering training schools of nursing, the varying standards of training and examination for nursing certificates and the lack of interprovincial reciprocity in the registration of nurses. To remedy these difficulties it is proposed to enact legislation for the purpose of setting up an Indian Nursing Council which will prescribe uniform minimum standards of education and training for nurses, midwives and health visitors, supervise examinations, and maintain a schedule of qualifications recognised for registration throughout British India.

NOTIFICATION.

No. 976L.—19th July, 1946.—The Governor having been pleased to order, under rule 48 of the Bengal Legislative Council Procedure Rules, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information:—

THE BENGAL SPECIAL TRIBUNALS (CONTINUANCE) BILL, 1946.

A

BILL

to provide for the continuance of the Special Tribunals at Calcutta constituted under the Criminal Law Amendment Ordinance, 1943.

Whereas by notifications of the Central Government under section 3 of the Criminal Law Amendment Ordinance, 1943, two Special Tribunals were constituted to sit at Calcutta, and under section 5 thereof certain cases were allotted to them for trial; (Ord. No. XXIX of 1943.)

And whereas upon the expiration of a period of six months after the Proclamation of Emergency in force at the commencement of the said Ordinance has ceased to operate, doubts may arise as to the competency of the said Tribunals to continue to function and dispose of the cases not disposed of before the expiration of the said period;

And whereas it is necessary that the said Tribunals should so continue to function and dispose of the said cases;

It is hereby enacted as follows:—

Short title and commencement.

1. (*1*) This Act may be called the Bengal Special Tribunals (Continuance) Act, 1946.

(*2*) It shall come into force on the 1st day of October, 1946.

Definitions.

2. In this Act,—

(*1*) "the Ordinance" means the Criminal Law Amendment Ordinance, 1943; (Ord. No. XXIX of 1943.)

(*2*) "the Tribunals" means the Special Tribunals sitting at Calcutta known as the First Special Tribunal at Calcutta and the Second Special Tribunal at Calcutta, constituted by notifications of the Central Government under section 3 of the Ordinance.

The Bengal Special Tribunals (Continuance) Bill, 1946.

(Clause 3.)

Continuance of the Tribunals.

3. (*1*) The Tribunals shall have jurisdiction to try all cases allotted to them under the Ordinance and not disposed of before the commencement of this Act, as if the Tribunals had been constituted by or under an Act of the Provincial Legislature.

(*2*) All provisions of the Ordinance except sub-section (*1*) of section 5 shall continue in force and apply in relation to the Tribunals and the cases aforesaid, subject to the modification that the powers of the Central Government under clause (*b*) of section 3, sub-section (*3*) of section 4 and section 11 shall, as from the commencement of this Act, be powers of the Provincial Government.

(*3*) All notifications issued, all appointments and all rules made, by the Central Government under section 3, sub-section (*3*) of section 4 and section 11, respectively, of the Ordinance shall, so far as they apply to the Tribunals, continue in force until superseded or modified by the Provincial Government under this Act.

(*4*) For the avoidance of doubt it is hereby declared that all proceedings had before, and all orders issued by, the Tribunals under the Ordinance before the commencement of this Act shall continue to have effect, and it shall not be necessary for the Tribunals to recommence any of the said proceedings or re-issue any of the said orders.

STATEMENT OF OBJECTS AND REASONS.

The two Special Tribunals known as the First Special Tribunal at Calcutta and the Second Special Tribunal at Calcutta, respectively, were constituted by notifications of the Central Government under section 3 of the Criminal Law Amendment Ordinance, 1943 (Ord. No. XXIX of 1943), and under section 5 thereof, certain cases were allotted to them for trial. As some doubts may arise as to the competency of the said Tribunals to continue to function and dispose of the said cases in the event of their not being disposed of before the expiration of a period of six months after the Proclamation of Emergency in force at the commencement of the said Ordinance has ceased to operate, and, as it may involve considerable waste of public money if the cases now pending before these Tribunals have to be tried *de novo* by ordinary Criminal Courts, it is necessary to introduce this Bill so that the aforesaid Tribunals may continue to function and dispose of the cases allotted to them under section 5 of the Ordinance referred to above.

NOTIFICATION.

No. 974L.—19th July, 1946.—The Governor having been pleased to order, under rule 48 of the Bengal Legislative Council Procedure Rules, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information:—

THE BENGAL DENTISTS' (AMENDMENT) BILL, 1946.

A

BILL

to amend the Bengal Dentists Act, 1939.

WHEREAS it is expedient to amend the Bengal Dentists Act, 1939, for the purpose and in the manner hereinafter appearing; (Ben. Act XII of 1939.)

It is hereby enacted as follows:—

Short title.

1. This Act may be called the Bengal Dentists (Amendment) Act, 1946.

Amendment of section 12 of Bengal Act XII of 1939.

2. In sub-section (3) of section 12 of the Bengal Dentists Act, 1939, for the words "who has, previous to the commencement of this Act, been *bona fide* engaged in the practice of dentistry in Bengal but for a period of less than five years, if such person, within five years from the commencement of this Act" the following shall be substituted, namely:—

"who has been *bona fide* engaged in the practice of dentistry in Bengal since before the commencement of this Act, if such person, not later than the 31st day of May, 1950".

STATEMENT OF OBJECTS AND REASONS.

Since the Bengal Dentists Act, 1939, came into force in May, 1940, the time allowed to persons who have been *bona fide* engaged in the practice of dentistry from before the commencement of the said Act to have their names registered has already expired. There are still quite a good number of such dental practitioners who have not yet had their names registered. With a view to giving such dental practitioners a further opportunity of having their names registered, it is proposed to provide that the Bengal Dental Board may permit the registration of a person who has been *bona fide* engaged in the practice of dentistry from before the commencement of the said Act, if such person not later than 31st May, 1950, passes a special examination to be held by the State Medical Faculty of Bengal for this purpose.

No. 975L.—19th July, 1946.—The Governor having been pleased to order, under rule 48 of the Bengal Legislative Council Procedure Rules, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information:—

THE CATTLE-TRESPASS (BENGAL AMENDMENT) BILL, 1946.

A BILL

further to amend the Cattle-trespass Act, 1871, in its application to Bengal.

WHEREAS it is expedient further to amend the Cattle-trespass Act, 1871 in its application to Bengal in the manner hereinafter appearing; (I of 1871.)

It is hereby enacted as follows:—

Short title. **1.** This Act may be called the Cattle-trespass (Bengal Amendment) Act, 1946.

Application of Act. **2.** The Cattle-trespass Act, 1871, hereinafter referred to as the said Act, shall, in its application to Bengal, be amended in the manner provided in this Act.

Substitution of new sections 32 and 33 for section 32 of Act I of 1871. **3.** For section 32 of the said Act as inserted by section 3 of the Cattle-trespass (Bengal Amendment) Act, 1934 (Ben. Act V of 1934.) the following sections shall be substituted, namely:—

"32. (*1*) The Magistrate of the District may appoint for the purposes of this Act, a Chairman of a Municipality constituted under the Bengal Municipal Act, 1932 (Ben. Act XV of 1932.), or a President of a Union Board constituted under the Bengal Village Self-Government Act, 1919 (Ben. Act V of 1919.), to discharge the functions of an officer appointed under section 14, in respect of cattle impounded within the area included within that municipality or within the area subject to the jurisdiction of that Union Board, as the case may be:

Power for Magistrate of the District to appoint Chairmen of Municipalities or Presidents of Union Boards to discharge the functions of an officer under section 14.

Provided that a Chairman or President so appointed may, by general or special order, delegate to the Vice-Chairman of such municipality or the Vice-President of such Union Board, as the case may be, all or any of the functions of an officer appointed under section 14 which such Chairman or President is entitled to discharge and may at any time withdraw the same.

(*2*) A Chairman or President so appointed, or a Vice-Chairman or Vice-President to whom the Chairman or the President, as the case may be, may have delegated all or any of the functions referred to in sub-section (*1*), shall not, directly or indirectly, purchase any cattle at a sale under this Act.

33. The Magistrate of the District may, by an order in writing, delegate the powers specified below to any Magistrate subordinate to him:—

Delegation of certain powers of the Magistrate of the District.

(*1*) the determination of the manner of disposal of unclaimed impounded cattle under the proviso to section 14; and

(*2*) the settlement of claims in respect of surplus unclaimed proceeds of the sale of cattle held in deposit under section 17."

Repeal of Bengal Act V of 1934. **4.** The Cattle-trespass (Bengal Amendment) Act, 1934, is hereby repealed.

STATEMENT OF OBJECTS AND REASONS.

The District Magistrate and the police-officers have various important duties to perform. It is desirable that they should be relieved of some of their duties which may as well be performed by other officers or authorities. The Bill seeks to give powers to the District Magistrate to appoint Chairmen of Municipalities and Presidents of Union Boards to conduct sales of unclaimed cattle impounded within municipal areas and areas subject to the jurisdiction of Union Boards respectively and to authorise the Chairmen or Presidents so appointed to delegate their functions in this respect to their Vice-Chairmen or Vice-Presidents, as the case may be. The Bill also seeks to authorise the District Magistrate to delegate some of his powers under the Act to subordinate Magistrates.

Provided that the rent payable for the premises during the continuance of this Act shall not exceed the standard rent.

[*Cf.* Ben. Act III of 1920, s. 10.]

Restriction on the sale of furniture in any premises let out to a tenant.

the Controller may, on application made to him in this behalf at any time within a period of six months from the date of commencement of this Act or from the date of such payment, whichever is later, by the tenant by whom such payment was made, order the landlord by whom such payment was received to refund such sum to such tenant, or at the option of such tenant, order the adjustment of any sum so paid in any other manner.

(*2*) An order of refund passed by the Controller under sub-section (*1*) shall be executed by the Court having jurisdiction to entertain a suit for the recovery of arrears of rent in respect of the premises in relation to which the sum ordered to be refunded was paid as if such order of refund were a decree of that Court.

Duties and powers of the Controller.

10. (*1*) The Controller shall, on application made to him by any landlord or tenant, grant a certificate certifying the standard rent of any premises leased or rented by such landlord or tenant, as the case may be. [*Cf.* Ben. Act III of 1920, s. 15.]

(*2*) The Controller may, on application made to him by any tenant or occupant of a room or rooms in an hotel, boarding house, or lodging house, fix the rent or charge of such room or rooms at such sum as, having regard to the provisions of this Act and the circumstances of the case, including the cost of food, furniture and service, and the other amenities of the hotel, boarding house or lodging house, and the rent or charge paid for such room or rooms on the first day of December, 1941, he deems just.

(*3*) In any of the following cases, the Controller may fix the standard rent at such amount as, having regard to the provisions of this Act and the circumstances of the case, he deems just:—

(*a*) where by reason of any premises having been let at one time as a whole, and at another time in parts, or where by reason of a tenant having sublet a part of any premises let to him, or where for any other reason, any difficulty arises in giving effect to this Act;

(*b*) where any premises have been or are let rent free, or at a nominal rent, or for some consideration in addition to rent;

(*c*) where the rent at which the premises were let on the first day of December, 1941 was, in the opinion of the Controller, unduly low.

(*d*) where some addition, improvement or alteration not included in necessary repairs or repairs which are usually made to premises in the locality, has been made at any time after the first day of December, 1941 to any premises at the landlord's expense;

(*e*) where any furniture has been supplied on or after the first day of December, 1941 by the landlord for use in any premises or where any premises which were let without any furniture on or after the said date are subsequently let furnished;

(*f*) where there has been an increase in the municipal rates, taxes or cesses in respect of any premises; or

(*g*) where for any other sufficient cause the rent at which the premises were let on the first day of December, 1941, or at which the premises are for the time being let is not, in the opinion of the Controller, just and fair:

The Calcutta Rent Bill, 1946.

(*Clauses 11, 12.*)

Provided that,—

(*i*) under clause (*d*), the Controller shall not increase the rent by more than ten *per centum per annum* of the amount expended on the addition, improvement or alteration made to the premises as provided in section 4; and

(*ii*) in fixing the standard rent under clause (*e*), the Controller shall take into consideration the cost of the furniture supplied:

[*Cf.* The Calcutta House Rent Control Order, 1943, para. 8(*5*).]

Provided further that where the amount of any increase in rent allowable on the ground specified in clause (*d*), or clause (*e*), in respect of any premises in Calcutta has been determined under sub-paragraph (*5*) of paragraph 8 of the Calcutta House Rent Control Order, 1943 by the Controller appointed under the said order, or where the amount of any increase in rent allowable on the ground specified in clause (*d*) in respect of any premises in any other town or local area to which this Act or any part thereof has been extended has been determined under sub-paragraph (*3*) of paragraph 9 of the Bengal House Rent Control Order, 1942, by the Controller appointed under the said Order, the increase in rent so determined shall be deemed to be the increase in rent determined under this sub-section and the standard rent of the premises in respect of which such increase has been determined shall, with effect from the date of commencement of this Act, be deemed to be altered accordingly under this section.

(*4*) In every case in which the Controller fixes under this section the standard rent, or increases under this section the rate of rent payable, in respect of any premises, he shall appoint a date from which the standard rent so fixed or the increase so allowed shall be deemed to have effect.

[*Cf.* Ordinance XXV of 1944, s. 7(*5*).]

(*5*) Before exercising any of the powers conferred on him by this Act, the Controller shall give notice of his intention to do so to the landlord and to the tenant, if any, and shall duly consider any application received by him from any person interested within such period as shall be specified in the notice.

Issue of distress warrants and other processes barred in certain cases.

11. No distress warrant shall be issued under Chapter VIII of the Presidency Small Cause Courts Act, 1882, and no process under the Code of Civil Procedure, 1908, in execution of a decree passed *ex parte* thereunder, shall be issued, either for the attachment of property, or for the arrest of any tenant, in connection with the recovery of the rent of any premises situated in any area to which this Act may apply, unless the person applying for execution, when making his application, swears or affirms by affidavit or otherwise that none of the rent, in respect of which execution is applied for, is irrecoverable under this Act.

[*Cf.* Ben. Act III of 1920, s. 13 and the Calcutta House Rent Control Order, 1943, para. 8A.] XV of 1882. Act V of 1908.

No order for ejectment ordinarily to be made if rent paid at allowable rate.

12. (*1*) Notwithstanding anything contained in the Transfer of Property Act, 1882, the Presidency Small Cause Courts Act, 1882, or the Indian Contract Act, 1872, no order or decree for the recovery of possession of any premises shall be made as long as the tenant pays rent to the full extent allowable by this Act and performs the conditions of the tenancy:

Provided that nothing in this sub-section shall apply,—

(*a*) where the tenant has done any act contrary to the provisions of clause (*m*), clause (*o*) or clause (*p*) of section 108 of the Transfer of Property Act, 1882, or

[*Cf.* Ben. Act III of 1920, s. 11 and Calcutta House Rent Control Order, 1943, para. 9.] IV of 1882. IX of 1872.

The Calcutta Rent Bill, 1946.

(*Clause 12.*)

(*b*) where in the absence of any contract to the contrary the tenant has, without the consent in writing of the landlord, sublet the premises in whole or in part, or

(*c*) where the tenant has been guilty of conduct which is a nuisance or an annoyance to occupiers of adjoining or neighbouring premises, or

(*d*) where the premises are *bona fide* required by the landlord either for purposes of building or re-building, or for his own occupation or for the occupation of any person for whose benefit the premises are held, or where the landlord can show any cause which may be deemed satisfactory by the Court.

(*2*) The fact that the period of the lease has expired, or that the interest of the landlord in the premises has been transferred shall not of itself be deemed to be a satisfactory cause within the meaning of clause (*d*) of the proviso to sub-section (*1*) provided that the tenant is ready and willing to pay rent to the full extent allowable by this Act.

(*3*) Where the landlord recovers possession on the ground that the premises are *bona fide* required by him for purposes of building or re-building or for his own occupation or for the occupation of any person for whose benefit the premises are held, and the building or the re-building of the premises is not commenced, or the premises are not occupied by the landlord or such person, within fifteen days of the date of vacation of the premises by the previous tenant, or the premises, having been so occupied, are re-let within six months of the said date to any person other than the previous tenant, the Controller may, on the application of the previous tenant made within seven months of his vacating the premises, direct the landlord to put the previous tenant in possession of the premises and to pay him such compensation as may be fixed by the Controller.

(*4*) No tenant shall be entitled to the benefit of this section in respect of any premises unless,—

(*a*) he pays the rent due by him in respect of such premises to the full extent allowable by this Act, within the time fixed in the contract with his landlord or, in the absence of such contract, by the fifteenth day of the month next following that for which the rent is payable, and

(*b*) in the case where any rent has accrued due before the commencement of this Act, also he has paid within one month of the date of such commencement all arrears of rent due by him in respect of such premises to the full extent allowable by this Act, and

(*c*) in the case where the Controller has, in fixing the standard rent under section 10, allowed any increase in the rate of rent payable in respect of such premises with effect from any date earlier than the date of the order, he has paid also the amount that has become payable by him on account of such increase, for any period preceding the date of such order, to the full extent and within the time specified in this behalf by the Controller or, in the absence of any such specification, within one month of the date of such order, or

where the landlord has refused to accept any rent referred to in clause (*a*), clause (*b*) or clause (*c*), or where there is a *bona fide* doubt or dispute as to the person who is entitled to receive such rent, unless the tenant has deposited such rent or any subsequent rent in respect of such premises as provided in section 16 within the time specified in that section.

(*5*) For the purposes of this section, the rent allowable by this Act in relation to any premises means,—

(*a*) where the standard rent in respect of such premises has been fixed by the Controller under section 10, the standard rent so fixed, or

The Calcutta Rent Bill, 1946.

(Clause 13.)

(*b*) where such standard rent has not been so fixed, the rent agreed upon between the landlord and the tenant to be paid in respect of such premises or, when the rent so agreed upon exceeds the standard rent of such premises, so much of the rent so agreed upon as does not exceed the standard rent.

Suit or proceeding for eviction not to be instituted and possession of premises not to be recovered without previous permission of the Controller in certain cases.

[*Cf.* The Calcutta House Rent Control Order, 1943, para. 9A and the Bengal House Rent Control Order, 1942, para. 10A.]

13. (*1*) No suit or proceeding by a landlord against a tenant in possession of any premises for eviction of such tenant therefrom in which any of the grounds specified in clause (*d*) of the proviso to sub-section (*1*) of section 12 has been taken as a ground for such eviction shall be entertained by any Court unless the landlord has been permitted by the Controller by an order in writing under sub-section (*3*) to institute such suit or proceeding and has produced before such Court proof that such permission has been granted.

(*2*) If in any suit or proceeding by a landlord against a tenant in possession of any premises for eviction of such tenant therefrom, a decree or order for the recovery of possession of such premises has been made before the date of commencement of this Act on any of the grounds specified in clause (*c*) of the proviso to sub-paragraph (*1*) of paragraph 9 of the Calcutta House Rent Control Order, 1943, or in clause (*c*) of the proviso to sub-paragraph (*1*) of paragraph 10 of the Bengal House Rent Control Order, 1942, but the possession of such premises has not been recovered from the tenant, the execution of such decree or order shall be stayed until the landlord produces before the Court by which such decree or order may be executed or in which such execution is pending, as the case may be, proof that he was permitted by the Controller appointed under the Calcutta House Rent Control Order, 1943, or the Bengal House Rent Control Order, 1942, as the case may be, to institute such suit or proceeding or to prosecute such suit or proceeding or to recover possession of such premises by the execution of such decree or order or that he has been permitted by the Controller by an order in writing under sub-section (*3*) to recover possession of such premises by the execution of such decree or order.

(*3*) A landlord who desires to obtain from the Controller,—

(*a*) any order referred to in sub-section (*1*) permitting him to institute a suit or proceeding referred to in that sub-section against a tenant in possession of any premises for evicting such tenant therefrom, or

(*b*) any order referred to in sub-section (*2*) permitting him to recover possession of the premises in respect of which any decree or order referred to in the said sub-section has been made by the execution of such decree or order,

shall apply in writing to the Controller in that behalf, and if, on receipt of such application, the Controller, after giving the tenant in possession of the premises an opportunity for showing cause against the application and after considering all the circumstances of the case, is satisfied,—

(*i*) in the case referred to in clause (*a*) that there is sufficient cause to hold that any of the grounds specified in clause (*d*) of the proviso to sub-section (*1*) of section 12 which has been taken by the landlord as a ground for eviction of the tenant in such suit or proceeding exists, and

(*ii*) in the case referred to in clause (*b*) that it is a fit case for the landlord to recover possession of the premises by execution of the decree or order referred to in that clause on any of the grounds referred to therein on which such decree or order has been made,

the Controller shall, after recording his reasons in writing, make the order applied for, and, if the Controller is not so satisfied, he shall, also after recording his reasons in writing, make an order rejecting the application.

The Calcutta Rent Bill, 1946.

(Clauses 14—16.)

(4) The Controller may, before making under sub-section (3) any order referred to in sub-section (2) permitting a landlord to recover possession of any premises by the execution of a decree or order, allow such time as he considers necessary to the tenant to vacate the premises and to deliver possession thereof to the landlord.

Suit or proceeding for eviction for non-compliance with the provisions of the Act as to payment of rent.

14. (1) No suit or proceeding by a landlord against a tenant in possession of any premises for eviction of such tenant therefrom, in which non-compliance with the provisions of this Act as to the payment or deposit of rent due by such tenant in respect of such premises to the full extent allowable by this Act within the time specified in that behalf in this Act has been taken as a ground for such eviction, shall be entertained by any Court unless the landlord has been permitted by the Controller by an order in writing under sub-section (2) to institute such suit or proceeding and has produced before such Court proof that such permission has been granted.

[Cf. The Calcutta House Rent Control Order, 1943, para. 9B and the Bengal House Rent Control Order, 1942, para. 10AA.]

(2) A landlord desiring to obtain from the Controller any order referred to in sub-section (1) permitting him to institute a suit or proceeding referred to in that sub-section against any tenant in possession of any premises for evicting such tenant therefrom shall apply in writing to the Controller in that behalf, and if, on receipt of such application, the Controller, after giving the tenant in possession of the premises an opportunity of showing cause against the application and considering all the circumstances of the case, is satisfied that there has been no such non-compliance with the provisions of this Act as to the payment or deposit of rent due by such tenant in respect of such premises, or that reasonable grounds exist for such non-compliance, and if the tenant has paid to the landlord or has deposited in the manner in which a deposit of rent is required to be made under sub-section (1) of section 16 the rent allowable by this Act in arrear before an order under this sub-section is made, the Controller shall, after recording his reasons in writing, make an order rejecting the application, but, if the Controller is not so satisfied or if the tenant has not so paid or deposited the rent allowable by this Act in arrear, the Controller shall, also after recording his reasons in writing, make the order applied for.

Stay of suit and proceeding for eviction of a tenant pending appeal against order permitting landlord to institute or prosecute such suit or proceeding.

15. Where any appeal has been presented under section 24 against an order of the Controller under sub-section (3) of section 13 or under sub-section (2) of section 14 permitting a landlord to institute a suit or proceeding in any Court or against an order of the Controller under sub-section (3) of section 13 permitting a landlord to recover possession of any premises by the execution of a decree or order, all proceedings in connection with such suit or proceeding, or the execution of such decree or order, shall be stayed during the period such appeal is pending on intimation of such appeal being given to the Court in which such suit or proceeding has been instituted or such suit or proceeding or the execution of such decree or order is pending, as the case may be, by the person by whom such appeal has been presented.

[Cf. The Calcutta House Rent Control Order, 1943, para. 9D.]

Deposit of rent by the tenant on refusal of the landlord to accept it or in case of doubt or dispute as to the person entitled to receive it.

16. (1) When a landlord refuses to accept any rent referred to in section 12 offered by a tenant in respect of any premises, the tenant,—

(a) may deposit such rent, and

(b) may also, unless the landlord signifies by notice in writing to the tenant his willingness to accept any subsequent rent which becomes due in respect of such premises, deposit such rent,

within a fortnight of the date on which such rent becomes due, or from the expiry of the time within which such rent is required to be paid under clause (a), clause (b) or clause (c) of sub-section (4) of section 12, as the case may be, in such manner as may be prescribed.

[Cf. The Calcutta House Rent Control Order, 1943, para. 10.]

(2) Where any *bona fide* doubt or dispute has arisen as to the person who is entitled to receive any rent referred to in section 12 in respect of any premises, the tenant,—

(a) may deposit such rent, stating the circumstances under which such deposit is made, and

The Calcutta Rent Bill, 1946.

(Clauses 17, 18.)

(*b*) may continue to deposit every subsequent amount of rent which becomes due in respect of such premises, also stating the circumstances under which such deposit is made, until such doubt has been removed or such dispute has been settled by the decision of any competent Court or by settlement between the parties,

within a fortnight of the date on which such rent becomes due or from the expiry of the time within which such rent is required to be paid under clause (*a*), clause (*b*) or clause (*c*) of sub-section (*1*) of section 12, as the case may be, in the same manner as has been prescribed for the deposit of rent under sub-section (*1*).

(*3*) On any deposit being made under sub-section (*1*), the Controller shall cause a notice of the receipt of the deposit to be served on the landlord in the prescribed manner and the amount of the deposit may, subject to such rules as may be made under this Act, be withdrawn by the landlord on application made by him to the Controller in that behalf.

(*4*) When a deposit has been made under sub-section (*2*), the amount of such deposit shall be held by the Controller pending the removal of the doubt or the settlement of the dispute which has arisen as to the person who is entitled to receive the rent either by the decision of a competent Court or by settlement between the parties and the amount of such deposit may be withdrawn by the person who is declared by such Court to be entitled to it or who is held by the Controller to be entitled to it in accordance with such settlement.

Power of Court to vary or rescind decision and orders in certain cases.

17. Where any decree or order for the recovery of possession of any premises has been made, but the possession of such premises has not been recovered before the date of commencement of this Act by the execution of such decree or order, the Court by which the decree or order was made may, if it is of the opinion that the decree or order would not have been made if this Act had been in operation at the date of the making of the decree or order, rescind or vary the decree or order in such manner as the Court may think fit for the purpose of giving effect to the provisions of this Act.

[*Cf.* The Calcutta House Rent Control Order, 1943, para. 11.]

Making of repairs and taking of measures for the maintenance of essential services by the tenant on the failure or neglect of the landlord to do so.

18. (*1*) The Controller shall, on application made to him in this behalf by any tenant in possession of any premises, cause a notice to be served on the landlord thereof requiring him to make any repairs which such landlord is bound to make to the premises or to take any measures for the due maintenance of any essential supply or service, such as, the maintenance of the supply of water or electricity, the maintenance of drainage service and the maintenance of any lift, which such landlord is bound to maintain in the premises under the conditions of the tenancy.

[*Cf.* The Calcutta House Rent Control Order, 1943, para. 11A.]

(*2*) If after receipt of such notice the landlord fails or neglects to make within reasonable time such repairs or to take within reasonable time such measures, as the case may be, the tenant may submit to the Controller an estimate of the cost of such repairs or measures, and may apply to him for permission to make such repairs or to take such measures himself and, thereupon, the Controller may, after considering such estimate of cost and making such enquiries as he may consider necessary, by an order in writing, permit the tenant to make such repairs or to take such measures, as the case may be, at a cost not exceeding such amount as may be specified in the order and it shall thereafter be lawful for the tenant to make such repairs or to take such measures himself and to deduct the cost thereof, which shall in no case exceed the amount so specified, from the rent or otherwise recover it from the landlord.

(*3*) Notwithstanding anything contained in sub-sections (*1*) and (*2*), if the necessity for making any repairs or for taking any measures referred to in sub-section (*1*) is so urgent that any delay involved in the procedure referred to in the said sub-sections is likely to subject the tenant to personal loss, damage or serious inconvenience, the tenant may himself cause the notice

(Clauses 19—22.)

referred to in sub-section (*1*) to be served on the landlord requiring him to make such repairs or to take such measures within forty-eight hours of the service of such notice and shall in every such case submit, at the same time, a copy of such notice to the Controller together with an estimate of the cost of such repairs or measures to enable the Controller to make such enquiries as he may consider necessary about the necessity of such repairs or measures and the correctness of the estimate so submitted, and if, after the service of such notice, the landlord fails to make such repairs or to take such measures within the time mentioned in the notice, the tenant may himself make such repairs or take such measures, as the case may be, and, after completion of such repairs or measures, submit to the Controller a statement of the costs thereof and thereafter the Controller, after considering such statement and making such further enquiries as he may consider necessary, may by an order in writing determine the amount of the costs which the tenant is entitled to recover from the landlord, and the tenant may thereupon deduct the amount so determined from the rent or otherwise recover it from the landlord.

Penalty for recovering rent in excess of the standard rent.

19. (*1*) Whoever knowingly receives, whether directly or indirectly, any sum on account of the rent of any premises in excess of the standard rent, or any premium, *salami*, fine, or any other like sum in addition to the standard rent, except as provided in section 7, or any sum as rent in advance in excess of one month's rent shall, on the complaint of the party aggrieved, be liable, on the first occasion, to a fine which may extend to two thousand rupees, and on a second or subsequent occasion, in regard to the same, or any other premises, to a fine which may extend to five thousand rupees, to be imposed after summary inquiry, by the Controller.

[*Cf.* Ben. Act III of 1920, s. 19.]

(*2*) A person shall be deemed to receive a sum in excess of the standard rent, if he receives any consideration representing a money value in excess of such standard rent.

Penalty for disturbance of easements, etc.

20. Whoever, in any case in which an order or decree for the recovery of possession of any premises is prohibited under section 12, or in the case of any premises in respect of the recovery of possession of which the provisions of section 13 or section 14 apply, without the previous written consent of the Controller, or save for the purpose of effecting repairs or complying with any municipal requisition, wilfully disturbs any easement annexed to such premises, or removes, destroys, or renders unserviceable, anything provided for permanent use therewith, or discontinues any supply or service comprised in the tenancy of such premises, shall, on the complaint of the party aggrieved, be liable, on the first occasion, to a fine which may extend to five hundred rupees, and on a second or subsequent occasion, in regard to the same or any other premises, to a fine which may extend to one thousand rupees, to be imposed, after summary inquiry, by the Controller.

[*Cf.* Ben. Act III of 1920, s. 20.]

Fine to be recovered by distraint and sale of movable property.

21. The fine imposed under section 19, or section 20, shall be levied by the Controller by the distraint and sale of a sufficient portion of the movable property of the person fined in accordance with rules made under this Act.

Supply of certified copies of the order of the Controller.

22. Any person affected by any order of the Controller made under this Act shall be entitled to be furnished with a copy thereof, duly certified by the Controller to be a correct copy, on payment of such fees as may be prescribed, and such copy shall be admissible in evidence in any Court of Law to prove the order of the Controller.

[*Cf.* Ben. Act III of 1920, ss. 16 and 17 and the Calcutta House Rent Control Order, 1943, para. 13.]

(*a*) enter and inspect any premises at any time between sunrise and sunset:

Provided that no premises shall be entered, without the consent of the occupier, unless at least twenty-four hours' previous notice in writing has been given;

(*b*) authorise any officer subordinate to him to enter and inspect any premises; or

(*c*) by written order require any person to produce for his inspection such accounts, rent receipts, books or other documents relevant to the inquiry, at such time and at such place, as may be specified in the order.

(*2*) The Controller shall, subject to any rules made under this Act, and, in so far as such powers are necessary for carrying out the provisions of this Act, have power to summon and enforce the attendance of witnesses, and to compel the production of documents by the same means and, so far as may be, in the same manner as is provided in the case of a Court by the Code of Civil Procedure, 1908.

(*2*) Where the Provincial Government appoints a person or persons to hear appeals to the exclusion of the Chief Judge of the Court of Small Causes of Calcutta or of the District Judge of the district, the said Chief Judge or the said District Judge, as the case may be, shall transfer all appeals pending before him to the person or among the persons so appointed, and any such person to whom an appeal is thus transferred may decide the appeal from the point at which it was transferred.

(*3*) The Chief Judge or the District Judge or the person or each of the persons appointed under sub-section (*1*), as the case may be, shall then send for the record of the case from the Controller and after perusing such record and, if necessary, taking such evidence himself or personally making such further inquiries as he thinks fit, shall decide the appeal.

Provided that before any order is passed under this sub-section which is likely to affect any person adversely such person shall be given a reasonable opportunity of being heard.

25. Any proceedings commenced under any provision of the Calcutta House Rent Control Order, 1943, or under any provision of the Bengal House Rent Control Order, 1942, shall, on the said Orders ceasing to be in operation, be continued and be, as far as may be, deemed to have been commenced under the corresponding provision of this Act and any appointment made under any of the said Orders shall for the purposes of the said proceedings be deemed to have been made under this Act, as if this Act was in operation when the said proceedings were commenced or such appointment was made.

(*h*) the charging or remitting of costs and fees under this Act and the fixing of the amount or a scale of such costs and fees.

STATEMENT OF OBJECTS AND REASONS.

The Calcutta House Rent Control Order, 1943, the Bengal House Rent Control Order, 1942 and the Hotels and Lodging Houses Control Order, 1942, will cease to be in force after the 30th of September, 1946, as these Orders were made under the Defence of India Rules, which will themselves cease to be in force after that date. The housing situation has not noticeably eased in spite of the fact that the war ended nearly a year ago. This is due to the fact that urban population has greatly increased during the war years, particularly in Calcutta where it is now nearly twice what it was in 1939. On the other hand, there has been little, if any, building of houses during the last five years. The result is that the demand for accommodation far exceeds the supply, and unless house rents and hotel charges are controlled on the lines of the existing Orders there will be an immediate rise in such rents and charges after the 30th of September, 1946. In 1920, when there was a similar danger of rents being inflated, an Act to control rents, namely, the Calcutta Rent Act, 1920 (Ben. Act, III of 1920), was passed to prevent profiteering by landlords.

The Calcutta Rent Bill, 1946, has accordingly been drawn up with this end in view, on the lines of the provisions of the existing Orders under the Defence of India Rules and the Calcutta Rent Act, 1920.

PART VI—Bills introduced in the Council of State and Legislative Assembly, Reports of Select Committees presented to the Council and Assembly and Bills published under Rule 18 of the Indian Legislative Rules.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill was introduced in the Legislative Assembly on the 6th March 1946:—

L. A. Bill to amend the Indian Arms Act, 1878.

WHEREAS it is expedient to amend the Indian Arms Act, 1878 (XI of 1878); it is hereby enacted as follows:—

1. Short title, Extent and Commencement.—(1) This Act may be called the Indian Arms (Amendment) Act 194 .

(2) It extends to the whole of British India.

(3) It shall come into force at once.

2. Amendment and Section 10, Act XI of 1878.—In section 10 of the Indian Arms Act, 1878, after clause (b) the following proviso shall be added;

"Provided that nothing in this section shall apply to the transport of arms and ammunition and military stores from a licensed warehouse to another licensed warehouse within British India."

STATEMENT OF OBJECTS AND REASONS.

Provision already exists in the Arms Act to license trustworthy persons to deal in arms and ammunitions. The dealers are also required under rules framed under the Arms Act, to maintain a record of receipts and sales, and to submit a memorandum of sales, etc. Therefore it is desirable that transport of arms and ammunition and military stores from one dealer to another should be unrestricted. This, however, will not relax existing check to any degree, whatsoever. The supplier firm will, as usual, submit a memorandum of sale, which will be verified from the records of buying firm.

AHMED EBRAHIM HAROON JAFFER.
